Beach Volleyball

Have you checked out our new Beach Volleyball Court at King Street Memorial Park?

Grab your friends, family or significant other and challenge them to a fun game of beach volleyball!

The true "birth" of "beach volleyball" began on the beaches of Waikiki Beach in Hawaii, at the Outrigger Canoe Club in 1915 and has achieved worldwide popularity. Beach volleyball is a team sport played by two teams of two players on a sand court divided by a net.

As in indoor volleyball, the object of the game is to send the ball over the net and to ground it on the opponent's court, and to prevent the same effort by the opponent. A team is allowed up to three touches to return the ball over the net. The ball is put in play with a serve — a hit by the server from behind the rear court boundary over the net to the opponents. The rally continues until the ball is grounded on the playing court, goes "out", or is not returned properly in three touches.

The team winning a rally scores a point and serves to start the following rally. The four players serve in the same sequence throughout the match, changing server each time a rally is won by the receiving team.

PICKLEBALL

CHECK OUT THE NEW CRAZE!!

What is Pickleball? Pickle ball is a fun sport that combines many elements of Tennis, Badminton and Ping-Pong. Pickle ball is played on a badminton sized court with a slightly modified tennis net and all you need is a paddle and a plastic ball!

League information:

- Open to anyone ages 10 and up!
- Two players per team
- \$60.00
- 6 weeks of play June 27-August 8th (No pickleball on 7/4)
- Tuesdays 7:00-9:00pm
- Location: FHS Tennis Courts

Each week, four courts will be set up, teams will be formed from those who are in attendance, and games will be played. We will provide paddles and balls for those who do not own their own.

YOGA ON THE BEACH

Let go of your busy week and gift yourself an hour of yoga on the beach. While surrounded by the vastness of the sky and the sound of water, let stress flow away and clear your mind. Learn how to regulate breathing and activate a feeling of serenity at the same time as you strengthen and tone your body through gentle yoga asana. All levels welcome.
